

## Dear participants of Annual International Conference “Environmental Control Systems – 2022”!

Electronic versions of presentations and poster reports will be posted on the conference website. Abstracts of reports will be published in the collection of conference materials with subsequent placement in the national bibliographic database of the RSCI.

Participation in the conference is provided in the following formats (according to the program):

- face-to-face, oral presentations
- remote participation, online oral presentation (**presentation** in ppt/pptx format is to be sent before **November 6**)
- poster presentation (594x841 mm (A1 format) portrait orientation). (**poster** in .pptx format is to be sent before **November 6**)
- remote (virtual) participation with the publication of abstracts and the presentation of the poster (**poster** in .pptx format is to be sent before **November 6**)

We remind you that the conference is dedicated to the celebration of the 300th anniversary of RAS and is held in cooperation with ASEAN. In this regard, the title, information about the author(s) and captions for tables and figures **should be presented in Russian and English.**

To participate in the conference remotely, it is necessary on **02.11.2022** from **16:00 to 18:00** and **03.11.2022** from **09:00 to 17:00** (Moscow time) to make a test connection via Skype with a subscriber "ИПТС Севастополь" or an account: live:.cid.17de334c5e164a68. To make it possible, please send us your Skype login.

At the beginning of the poster session, its participants present a 2-minute announcement of their poster and answer the questions that have arisen. Further, remote participants of the poster session should be online during the session (November 9, **15.30–17.30** and November 10, **15.45–17.15**) (connection via Skype with an "ИПТС Севастополь"). Meanwhile full-time participants of the poster session stay near their posters.
