REGISTRATION OF PARTICIPANTS

To participate in the conference, you are to fill out an application at the link https://docs.google.com/forms/d/1Ovdkra5EG7bLpa_JuHZE-uPc0cOfoGnsQs7rZ6Fu2J8/edit and send the conference abstracts no later than **November 04, 2022** to the organizing committee email address: **skos-2022@mail.ru** The file name is the last name of the first author of the abstract (for example, Ivanov_abstract.doc (docx)).

If you need an official invitation to participate in the conference, please inform the organizing committee.

The time allowed for oral presentation is 15 minutes (10 minutes for a report + 5 minutes for discussion). The report is made in the form of a Microsoft PowerPoint (*.ppt) or in the form of a Portable Document Format (*.pdf) file for display using a slide projector.

The conference provides face-to-face, virtual and poster forms of participation.

The working languages of the conference are Russian and English.

Accommodation and travel-related expenses are required to be covered by the conference participants themselves.

After the conference, a collection of materials (in printed and electronic form) is to be published. The collection of materials will be placed in the national bibliographic database of the RSCI (https://www.elibrary.ru/title_about_new.asp?id=57454). It is planned to publish expanded versions of the reports selected by the program committee in the scientific journal "Monitoring systems of environment" (<https://msoe.ru/en/>).

ABSTRACT DESIGN

The volume of abstracts should not exceed 1 page (A4 page format). The font of the text is Times New Roman (without styles and macros), font size is 12. Paragraph indentation is 1 cm. The line spacing is single. All fields are 2 cm. Automatic hyphenation. Figures and tables are numbered in order, have thematic names, and are placed on the page with the text immediately after being mentioned in the text.

The following information should be indicated in the abstract text: the title of the abstract (capital letters, 12 pt, centered, bold, without hyphenation); the next line is the full name of the author(s) (12 pt, italics, centered, if there are two or more authors, they are separated by commas); the next line is the place of work, city, country (12 pt, centered); on the next line is the speaker's email address. Authors from different organizations should be marked with the upper digital index. If the authors belong to different organizations, then each organization is listed in a separate line.

References to literature sources are possible in the text. The link indicates the surname of the first author or the first word in the title of the work, the year of publication, for example (Ivanov, 2015). The literature used is made out at the end of the text under the title «References: ».

Please submit the materials by **November 04, 2022** to the e-mail address: **skos-2022@mail.ru** with an attached file in the format of a Word Document (*.docx) or a Word 97-2003 Document (*.doc). The file name is the last name of the first author of the abstract (for example, Ivanov_abstract.doc (docx)).
